Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada
Phone: (867) 920-4654 Email: peterston@ssimicro.com Web: www.petersonspointlake.com

Travelling to and from Yellowknife

Whether you will be driving or flying, please plan to arrive in Yellowknife a day or two before flying to the lodge. This will allow extra time to deal with unforeseen vehicle problems and the possibility of lost luggage and flight delays. Getting to Yellowknife a day before you fly to the lodge will also enable us to show you the many interesting sights of our city. **Be sure to book your trip as soon as possible. Airline seating may be limited due to summer/fall travelers as well as other hunters.**

United States Travel Requirements

ALL PERSONS traveling by **air** outside of the United States are required to present a passport or other valid travel document to enter or re-enter the United States. Check out the US department of state website at: <http://travel.state.gov> for details. Please ensure that you have all the necessary identification with you. This is of utmost importance to avoid the possibility of problems at departing airlines or Customs. A driver's license alone is not sufficient proof. If you do not have proper identification, travel may be refused! *Please carry a copy of your hunt statement, which is evidence that you will be hunting with us.*

Visiting Canada Guidelines

Most people assume without question that almost anyone can enter Canada. This is not true. Please take a moment to check out the Visiting Canada Guidelines on the Citizenship and Immigration website: <http://www.cic.gc.ca/english/visit/index.asp> so you do not encounter any difficulties at the border.

Flying? Airlines – Who to fly with

There are a number of daily flights to Yellowknife. All flights connect from Edmonton, Alberta's International Airport. Many airlines fly to Edmonton from major cities in southern Canada and the United States. **First Air**, Canadian North, Air Canada (Jazz) and WestJet (WestJet is summer/fall season only) offer daily jet service from Edmonton, Alberta to Yellowknife. **First Air is our preferred airline!** There are many benefits in booking with First Air, please see the details outlined on page 2. **We do not recommend booking with Air Canada Jazz from Edmonton to Yellowknife.**

Using Peterson's Point Lake Lodge to book travel from Edmonton to Yellowknife

We can make flight reservations for you with **First Air** (our discounted price from Edmonton to Yellowknife is \$460.25 . no charge for ticketing fee). If you are making your own reservations to Edmonton and would like help with the Edmonton to Yellowknife portion of your trip do not hesitate to contact Amanda or Margaret by phone at (867) 920-4654 or via Email: pointlakelodge@ssimicro.com for First Air's schedule or you can check out their schedule on line at www.firstair.ca

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada
Phone: (867) 920-4654 Email: peterson@ssimicro.com Web: www.petersonspointlake.com

Baggage

Travel baggage policies vary from airline to airline, each seem to have different weight allowances, excess baggage, maximum bag sizes and associated charges. Please check with your travel agent and/or airlines regarding their specifications. As previously mentioned we work closely with First Air . your Edmonton to Yellowknife connection. They not only have special rates but also allow hunting & fishing guests to check an extra piece of baggage, details are provided below for your reference.

First Air: First Air allows each ticketed passenger **four** pieces of baggage free of charge; one carry-on, and two pieces of checked baggage, plus one accessory (rod or rifle case). Maximum carry-on weight is 20 lbs. Maximum weight for checked baggage is 70 lbs. There may be the following additional charges:

- EXTRA LUGGAGE \$ 50.00/piece
- OVERWEIGHT LUGGAGE (71- 99 lbs) \$ 50.00/piece
- OVERSIZED LUGGAGE - \$ 70.00/piece
- SPLIT ANTLERS \$ 50.00
- UNSPLIT ANTLERS \$100.00

Please note: luggage weighing 100lbs and over will not be accepted. For further information: www.firstair.ca

Antlers

Many airlines no longer accept antlers as baggage. Please check with your travel agent to confirm your airlines policies on antlers as baggage. If you are planning to fly home with your antlers, it is of the utmost importance that they are package properly. This means that all the tips must be covered with cardboard, that there be absolutely no blood leaking from the packaging. We will provide packaging material at the lodge to protect your antlers for shipping. However, you are responsible for wrapping them. You must bring two rolls of duck tape for this purpose.

Driving

If you are driving to Yellowknife, please allow extra time for mechanical problems that may arise. The Mackenzie Highway (HWY #3) from Edmonton to Yellowknife is paved all the way to Yellowknife Call NWT Tourism for road touring information (1-800-661-0788) or check online at: www.explorenwt.ca . Please contact us upon your arrival in Yellowknife at: 867-920-4654 (o) 867-920-4102 (h) 867-445-8797 (c). **Please note:** You can leave your vehicle at Margaret's home while on your hunt. If you brought a freezer for transporting your caribou meat home we would be happy to plug it in for you while you are on your trip.

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada
Phone: (867) 920-4654 Email: peterson@ssimicro.com Web: www.petersonspointlake.com

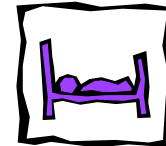

Hotels

In order to ensure you our preferred outfitters rate, we will make your hotel reservation for you in Edmonton & Yellowknife, please complete the enclosed flight itinerary & hotel reservation form included in this package.

Edmonton - Holiday Inn Express

The Holiday Inn Express in Edmonton is our preferred hotel of choice for a number of reasons.

- Is only 2 minutes away from the Edmonton International Airport.
- Has free airport shuttle service while on your hunt
- Has a walk-in freezer
- Offers free Continental Breakfast
- Outfitters rate: \$109.99 (+ taxes) for standard room (room with two queen size beds)

Yellowknife - The Explorer Hotel

The Explorer Hotel is minutes away from the airport, nestled against the downtown core. It is newly renovated offering 127 spacious rooms, Trader Grill Steak House and Trapline Lounge. Enjoy panoramic views of the City and Great Slave Lake. Check out their website at:

www.explorerhotel.ca and/or download their brochure at:

<http://www.explorerhotel.ca/pdf/amenities.pdf> Rates are: \$155.00 + taxes for double occupancy.

Flight from Yellowknife to Peterson's Point Lake Lodge

Your trip from Yellowknife to the lodge will be on a Twin Otter on floats. The estimated flight time is one hour and thirty minutes. Because of weight restrictions on our charter aircraft you are allowed one weapon; i.e. one bow OR one rifle. Maximum baggage weight for personal items is 60 lbs.

Rifle Type

We recommend that you use one of the following calibers: .270;.300;.30-06;.308; 7 mm Mag.

Rifle/bow cases

Whether you are hunting with a rifle or bow, please ensure that you bring a soft case. Before you leave Yellowknife for the lodge, you must transfer your weapon from your hard case to a soft case. This is important because of weight and space restrictions on our charter aircraft. Your hard cases will be safely stored during your hunt. When you get back to Yellowknife from the lodge your hard cases will be available for pick up. **Note: If possible we recommend that you share a hard case with your hunting partner to help minimize baggage as well as give you an additional piece of free allowable baggage which you can use for your caribou meat on your return trip.**

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada

Phone: (867) 920-4654 Email: peterston@ssimicro.com Web: www.petersonspointlake.com

Sample Hunting Itinerary

Day 0 - This is the day before your scheduled hunt date. You will have arrived in Yellowknife and will be met at the airport by our friendly staff. After claiming your baggage, you will be driven to the hotel and if time permits, we will be happy to provide you a tour and show you the many interesting features of our city.

Day 1 - At approximately 8:30 AM you will be picked up at the hotel in Yellowknife and driven to the float base for your 9:30 AM departure to the lodge. This one hour and thirty minute flight north will take you over the treeline into the barrens. Chad Peterson and staff will be there to welcome you, assign cabins and introduce the Point Lake staff. The laws of the Northwest Territories prohibit hunting for a minimum of 12-hours after flying. As a result on the first day of your trip you will have the opportunity to spot caribou, sight in your rifle at the range and become familiar with our operation and meet fellow hunters in a relaxed and friendly atmosphere.

Day 2, 3, 4, 5, 6 - Your hunting day begins with the smell of freshly brewed coffee and a hearty breakfast at the lodge. The excitement builds as each group of hunters heads out with their guide at approximately 7:00 a.m. for a full day on the land. Each day you will travel by boat to various locations on Point Lake and then hike inland to spot caribou. Lunch is on the land. By early evening, you return to the lodge, where you will be welcomed, to share your stories of the days hunt and enjoy appetizers and a sumptuous dinner. As part of our northern hospitality, you will be treated to a memorable wild game dinner on your last evening at the lodge. A sample menu such as braised caribou back strap, roast caribou heart & tongue, barbecue whiskey trout, garlic parmesan baked trout accompanied with potato au gratin and fresh salad are some of the dishes you can look forward to eating.

Day 7 - On the final day of your trip, you will depart the lodge at 11:00 AM, arriving in Yellowknife approximately 12:30 PM. Our friendly staff will be there to greet you at the float base and help load your baggage, antlers and meat for the short drive to the Department of Resources. This is where you will pay your trophy fee and obtain the proper documentation (export permit) to transport your meat home. It can take an hour to process the proper documentation for all ten hunters so while you are waiting you we provide water, coffee, hot chocolate & snacks for your enjoyment. Afterward we will drive you to the airport or to the hotel to check-in. If time permits, we can stop for a quick lunch and/or souvenir shopping.

Please note: We do our utmost to stay within these time frames however there is the possibility of delays due to uncontrollable factors such as bad weather.

Booking your flight home

We recommend that you take the evening flight to Edmonton, Alberta, stay overnight (For example, if your scheduled hunt date is August 20-26; you can book a flight to Edmonton on the evening of August 26th - approx. 5:00 PM and then take a morning flight home. Arriving home earlier the next day (August 26th) will enable you to butcher your meat sooner.

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada

Phone: (867) 920-4654 Email: peterson@ssimicro.com Web: www.petersonspointlake.com

Other hunting opportunities – during & after the hunt

If you harvest your caribou early we do have a number of great options for you. As you know, we offer hunting for wolf & wolverine while on your caribou hunt or after you harvest your caribou as part of your package (\$70.00 each for tags). Small game season begins September 1st 07 - species include: ptarmigan & grouse etc). Please indicate which species you would like by placing a check mark beside the appropriate species name.

Fishing

After your hunt is completed, you may have the opportunity to fish the pristine waters of Point Lake as part of your hunting package. You can fish for trophy lake trout by trolling, fly-fishing or casting. To ensure rich resources of fish for years to come, we have implemented a barbless hooks and catch and release program. There will however, be opportunities to sample the fresh lake trout of Point Lake while at the lodge. We will supply adequately sized spinning rods & reels. You are responsible for purchasing your fishing license \$42.00 CDN and supplying your own lures and leaders which can be purchased at our lodge tackle shop.

Caribou Meat & Antlers

Hunters are welcomed to take all of their caribou meat home; caribou meat is delicious and you will enjoy sharing it only with your closest friends. However, airline weight restrictions and high costs are making it extremely difficult to take all of your caribou meat home. In light of this, we recommend that you only take a portion of your caribou meat home (approximately 60 - 70lb container - 2 hind quarters and back strap which are the finest cuts). Any caribou meat that you leave will be used by the lodge and staff/guides. No meat will be wasted. Your quartered caribou will be hung in the meat shed until the final day of your hunt; it then will be placed in a Rubbermaid container for the flight back to Yellowknife and your journey home. **The meat is not deboned because this increases risk of spoilage.** We recommend that you butcher your meat as soon as you arrive home. Please check the airline baggage policy with whom you are travelling.

Antlers & Capes Preparation

An on- site skinner prepares your capes and antlers for possible tanning and mounting work. All antlers are left intact unless you request that they be split. Most commercial airlines charge a fee for transporting meat and antlers, **we do not.** Please check the airline baggage policy with whom you are travelling.

Shane Laye, owner of Rangline Taxidermy, a professional taxidermist from Cadogan, Alberta will be working with us again this year. If you are considering getting your caribou mounted we highly recommend Shane's services. Shane will forward his information to you prior to your hunt and will have his rates and portfolio at the lodge for your reference. He can be reached at: 780.753.8712.

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada
Phone: (867) 920-4654 Email: peterson@ssimicro.com Web: www.petersonspointlake.com

Terrain

There is a common misconception that the barrens are flat; this is quite the contrary, especially at Point Lake where we are surrounded by large rolling hills. The ground is hard backed and is typically dry however you can expect to encounter uneven and wet/boggy patches. Interspersed pockets of spruce forests, large boulders, rock piles and creek beds are common features of the area which offer excellent advantage points to locate and stalk caribou.

Weather

In August the weather is generally warm 50°- 60°F for the early hunts. During September the weather is cooler 40°- 50°F with the possibility of rain, occasional snow flurries and freezing temperatures. Overall the weather is very good for hunting. Be prepared by bringing warm, water repellent clothes and footwear as the weather can suddenly change in the barrenlands. Please check out our recommended list on pg. 9.

Bugs

Yes they do exist! Weather, wind conditions and amount of snowfall affect the concentrations of biting insects in the barrens. Black flies, mosquitoes and horseflies are common. Black flies are one of the most annoying and serious pests affecting the NWT. You may not be aware of a black fly bite until you notice a small reddish bump on your skin. Bites are commonly found behind your ears, on your neck, along your belt line and on you the lower part of your legs and arms. Scratching should be avoided because this can cause skin infections. Mosquito bites can cause irritation. This can be minimized if you avoid scratching or rubbing the site; it will subside quicker if left alone.

Bug Protection: *You may need to take precautions while on the barrens by wearing light coloured clothing, using insect repellents and by avoiding perfumes/aftershave products. You may want to wear a bug jacket and/or head net, which are available at the lodge for your use. The itching from bug bites may be alleviated with Calamine or After-bite lotion.*

Trophy Fee

When you arrive in Yellowknife after your hunt we will take you to the Department of Environment and Natural Resources to pay a trophy fee and obtain an export permit which allows you to transport meat, antlers and capes out of the Northwest Territories. A trophy fee must be paid if any portion of the caribou is transported out of the Northwest Territories.

Fees are per animal, caribou, wolf and wolverine are \$150.00 each + 7.50 (5%GST), total \$157.50. All major credit cards, Visa, MasterCard, American Express are accepted. Export permits are free of charge.

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada
Phone: (867) 920-4654 Email: peter@ssimicro.com Web: www.petersonspointlake.com

Point Lake Tackle & Gift Shop

For your convenience, our tackle shop has a small assortment of lures that have proven to be outstanding for attracting trophy lake trout. Our gift shop has an assortment of shirts, caps and gifts. Fishing licenses are also available for sale. We do not accept credit cards. Please, cash or cheques only!

Tips

In the past, many of our guests have been unsure of the tipping procedure for your guides and the cook. We strongly believe that the amount of tip should reflect the top-quality service you receive. For guides, \$200 US per person and for the cook \$50 US per person are AVERAGE tips (Check out our guides profiles on our website at: <http://www.petersonspointlake.com/guideprofiles.html>)

Health & Fitness

Please ensure that you are in good shape for your hunt. You should come prepared to walk 8 miles each day. Although hiking on the barrens is not difficult there are large rolling hills surrounding the Point Lake area that make your physical fitness important. As well, the caribou migration varies from year to year and longer hikes maybe necessary to bag your trophy bull. The better shape you are in the greater chance of having a successful hunt. Please indicate if you have any dietary or health problems on your hunting registration form.

No Smoking

For the consideration of all of our guests, all our dining and living facilities are designated as non-smoking.

Alcohol

We do not sell alcohol at the lodge. However, you may bring a personal supply for a sociable drink at the end of the day. To ensure the comfort and safety of all guests intoxication is not permitted while at the lodge. If you are traveling from the United States or southern Canada, we suggest that you purchase your alcoholic beverages at duty free or another retailer.

Your Account

Must be paid in full on June 1st. If there are any discrepancies on your statement please let us know immediately. Statements will be mailed out each time you send a payment. Accounts may be paid by personal or certified cheque.

Pre-Trip Information

Peterson's Point Lake Lodge (The 'J' Group Ltd.)
P.O. Box 447 Yellowknife, NT X1A 2N5, Canada

Phone: (867) 920-4654 Email: peterson@ssimicro.com Web: www.petersonspointlake.com

Required Forms

1. **FLIGHT ITINERARY & HOTEL RESERVATION FORM** Please complete and fax or mail the enclosed travel form as soon as your travel plans are confirmed. This allows us to arrange your hotel and ground transportation.
2. **HUNTING LICENSE APPLICATION FORM** — This form has a title of DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES NORTH SLAVE REGION. If you would like a wolf, and/or wolverine tag, place a check mark beside the species send appropriate funds for the tag (s). Wolf & wolverine tags are available for \$70.00 US each. Please leave the fee area blank.

Application Deadline – June 15th : We must receive your hunting license application (and payment for any additional tags) by this date. We use your completed application to purchase a hunting license and tags on your behalf. Your license and tags will be given to you when you arrive at the lodge.

3. **HUNTING REGISTRATION FORM** Please complete and return. We require this form for your contact, health, safety and emergency information.
4. **WAIVER** Please complete and return.
5. **NON-RESIDENT FIREARM DECLARATION FORM (Form CAFC 909)** All firearms must be declared at the Canadian border using this form. You can download this from directly from the Canadian Firearms Center Website: http://www.cfc-cafc.gc.ca/form-formulaire/pdfs/910_e.pdf . *This form must be presented in triplicate, unsigned, to a customs officer at your first point of entry into Canada. Just fill out the appropriate areas but DO NOT SIGN IT until you are in the presence of a Canadian customs officer.* There is a fee of \$25.00 CDN per firearm upon entry into Canada. You can also obtain a non-resident firearm declaration form from our website: <http://www.petersonspointlake.com/tripplanning.html#forms> under the trip planning section.

Volunteer Survey

1. **GUEST INFORMATION REQUEST** We would like to learn a bit about you. Our staff is very interested in meeting as many of your needs as possible and it help us tremendously to know a bit about you, your hunting experience and interests. Please fill in and return this survey only if you want to!

OUR HUNTING PHILOSOPHY

Purchasing a big game hunt is a time and financial investment, so ensuring you have a successful hunt is of utmost importance to us. Having a successful hunt means different things to different people. The prospect of returning home with a 'book' animal is very exciting to some people whereas others are thrilled by the pursuit and as a result harvest a representative bull. Experiencing a new and unique area, seeing indigenous wildlife and developing camaraderie with fellow hunters are also aspects of a hunt that contribute to its overall success.

As a responsible outfitter, we don't promise you what we can't deliver. We make no guarantees about getting a 'book' animal; this is the sport of hunting, we have no control over the weather or the caribou migration. What you can expect is that we will give 110% effort to make your entire trip a success. We stress the importance of fair chase and responsible hunting. We guarantee that we will provide you with a well run operation offering you excellent lodging, top-notch equipment, great meals and expert guides. We have been in business over 20 years and the number of guests that return to hunt with us is a testimony to our service.

What does responsible hunting mean to us? On a very elementary level it means following the law, this is the foundation of fair chase, but really it goes well beyond legislation, emphasizing respect for wildlife and behaving in a way that does not dishonour the hunter, the hunted or the environment. Following safe firearm handling procedures, observing local customs and being thoughtful are also personal codes of conduct that we feel are necessary to be a responsible hunter. It also means making appropriate preparations for your hunt, which include but are not limited to your physical fitness, shooting skills, as well as learning about the animal being pursued. Your ability to hike the hills and walk without difficulty, attaining and maintaining your rifle or bow skills to make a clean, quick kill, your comfort level with using your equipment at varying distances as well as your stalking ability are all components being a responsible hunter that fundamentally aid in the overall success of your hunt.

The Peterson Family & Staff

“The true hunter counts his achievement in proportion to the effort involved and the fairness of the sport”

Saxton Pope
